Three Crucial Steps in Filing a Workers' Compensation Claim in South Carolina

Getting hurt on the job or being diagnosed with a work-related illness can be devastating to a worker and his or her family. If you find yourself in this position, you may be under tremendous strain. However, it is important to stay calm and focused on what is important: Your health and your legal rights.

As an injured or ill worker, you may have the right to file a workers' compensation claim. These benefits can pay for your medical expenses. They can also help to cover a percentage of the wages if you are out of work during your recovery.

Driving Tips for Bad Weather Conditions in South Carolina

In a perfect world, South Carolina drivers would spend their daily commutes enjoying sunshine and clear skies. However, inclement weather and dangerous conditions cannot always be avoided. In fact, almost a quarter of all vehicle crashes in America are the result of bad weather.

Researchers estimate that almost 1,235,000 car accidents occur each year because of adverse weather, according to a report from the [United States Department of Transportation \(DOT\)](#). Additionally, these conditions result in approximately 418,000 injuries and 5,000 fatalities per year, according to the DOT.

[Here are some tips to reduce your risk of being involved in a weather-related car accident.](#)

How Long Will My Social Security Disability Case Take?

If you are unable to work due to a disabling condition, you may be aware that you could be eligible for disability benefits from the Social Security Administration. However, the Social Security disability claims process can be confusing, stressful, and time-consuming. Some claimants spend years trying to get the benefits they need, to no avail.

The best way to improve your chances of success and speed up the process is to hire a skilled attorney. If you need to file for Social Security disability in South Carolina, [Jebaily Law Firm, P.A.](#), can help. To learn more, call us today or contact us online to schedule a free consultation.

Holding Careless Drivers Responsible for Deadly Crashes

While a [personal injury lawsuit](#) will not bring back a loved one or undo the pain caused by a completely preventable accident, it can help secure a measure of justice and much needed financial compensation for the family of the victim. If the driver responsible for the crash was speeding or driving aggressively, was [distracted behind the wheel](#), was [intoxicated](#), or was displaying any number of other negligent behaviors while driving, he or she may be held liable for the suffering and loss caused.

**Recipe of the Month
French-Style Bean Stew**

In honor of American Heart Month, try this savory vegetarian stew packed with protein and fiber that will make meat lovers forget there's no meat!

Ingredients

- 2 medium dried bay leaves
- 6 cups water
- 8 oz. dried black beans, sorted for stones and shriveled beans, rinsed, drained
- 2 medium carrots (chopped)
- Cooking spray
- 1/2 cup dry white wine (regular or nonalcoholic)
- 1 1/2 tsp. dried fennel seeds (crushed)
- 4 medium garlic cloves (crushed, minced)
- 8 oz. dried Great Northern beans or other dried white beans, sorted for stones and shriveled beans, rinsed, drained
- 1 large green bell pepper (chopped)
- 1/4 cup light or dark molasses
- 1 large onion (chopped)
- 1/2-3/4 tsp. crushed red pepper flakes
- 3 medium ribs of celery
- 1/2 tsp. salt
- 1/2 dried thyme (crushed)
- 16 oz. canned, no-salt-added tomato sauce
- 1 1/4 cups fat-free, low-sodium vegetable broth

Directions

1. In a Dutch oven, stir together the water and beans. Bring to a boil over high heat. Reduce the heat and simmer for 5 minutes. Remove from the heat, let stand, covered, for 1 hour. Or, put the water and beans in a large bowl. Let stand, covered, for 6 to 12 hours. With either method, drain the beans in a colander, rinse, and drain again. Set aside.
2. When the beans are ready, dry the Dutch oven and lightly spray with cooking spray. Cook the celery, carrots, bell pepper, onion, and garlic over medium heat for 20 minutes, or until tender, stirring occasionally. Stir in the remaining ingredients and the beans. Increase the heat to high and bring to a boil. Reduce the heat and simmer, covered, for 2 1/2 to 3 hours, or until the beans are tender, adding water if necessary and stirring occasionally. Discard the bay leaves before serving the stew.
