Jebaily Law Firm – In the Community

Since 1969, Jebaily Law Firm has proudly represented families of workers who died as a result of "on the job" injuries. On April 28th, we honor all those who are no longer with us. May they Rest in Peace.

"Workers' Memorial Day is observed every year on April 28. It is a day to honor those workers who have died on the job, to acknowledge the grievous suffering experienced by families and communities, and to recommit ourselves to the fight for safe and healthful workplaces for all workers." United States Department of Labor.

When it is time for your teen to drive

I have a 14 year old son and I realize that the time is coming for him to get a driver's license. I remember being SO READY to get my driver's license and have that freedom. As a parent, I simultaneously dread this rite of passage and rejoice that he can help with all of the driving that I have to do. Some of my friend's children are turning 15 now and it has made me sit down and really look at what is involved in getting a driver's License for your teenager. It also makes me aware of how many distracted and angry drivers are on the road- and I pray that they have patience with young drivers. It is a lot different now than when I was 15. I think I had to have my permit for two weeks and then I was on my own! There was no texting, no cell phone at all. Now, the young drivers do get more training and guidance. This is a great thing!

Now, the SC DMV website actually has an [online practice test](#) that you can take! There are also apps that you can download to take practice tests for your permit.

Who Has the Right of Way?

Whether you drive, walk, bike, ride a motorcycle or do all four, knowing who has the right of way at an intersection or other crossing in South Carolina is important. If you know when you are required to yield the right of way, you can reduce your risk of being involved in a crash.

Situations in Which You Are Required to Yield

In many different situations, you must yield to another if you are operating a vehicle. You must yield the right of way when:

- You approach a crosswalk or intersection for the purpose of making a left- or right-hand turn, and there are other vehicles or pedestrians in the intersection or crosswalk. You must yield even though the traffic signal indicates that you may proceed.
- You encounter a pedestrian that is lawfully within a designated crosswalk.

Common Mistakes When Filing a Workers Compensation Claim

It is easy to make mistakes when you are seeking South Carolina workers' compensation benefits. This is especially true if you have never dealt with a workplace injury or illness before in your life.

What to Expect at a South Carolina SSD Hearing

Many Social Security Disability claimants often wonder about the hearing process, particularly because they generally have no idea of what to expect at their hearing. There are, however, a few things you should keep in mind that will help you through the process.

Recipe of the Month Beet and Goat Cheese Arugula Salad

This gourmet salad has colors, flavors, and textures that will complement most any meal and will become a staple for any family gathering or special occasion.

Ingredients

- 1/4 cup balsamic vinegar
- 3 tablespoons shallots, thinly sliced
- 1 tablespoon honey
- 1/3 cup extra-virgin olive oil
- Salt and freshly ground black pepper
- 6 medium beets, cooked and quartered
- 6 cups fresh arugula
- 1/2 cup walnuts, toasted, coarsely chopped
- 1/4 cup dried cranberries or dried cherries
- 1/2 avocado, peeled, pitted, and cubed
- 3 ounces soft fresh goat cheese, coarsely crumbled

Directions

Line a baking sheet with foil. Preheat the oven to 450 degrees F.

Whisk the vinegar, shallots, and honey in a medium bowl to blend. Gradually whisk in the oil. Season the vinaigrette, to taste, with salt and pepper. Toss the beets in a small bowl with enough dressing to coat. Place the beets on the prepared baking sheet and roast until the beets are slightly caramelized, stirring occasionally, about 12 minutes. Set aside and cool.

Toss the arugula, walnuts, and cranberries in a large bowl with enough vinaigrette to coat. Season the salad, to taste, with salt and pepper. Mound the salad atop 4 plates. Arrange the beets around the salad. Sprinkle with the avocado and goat cheese, and serve.
