TOXIC WATER 1953-1987

Were you or a family member stationed at Camp Lejeune in North Carolina for at least 30 days sometime between August 1953 and December 1987?

People who were exposed to toxins at Camp Lejeune have access to compensation. In addition to VA benefits, you may have other avenues of compensation depending on the situation. However, you need an experienced attorney to gather the necessary evidence to support your claim and pursue the maximum compensation you deserve by law.

We would be honored to have a free, confidential conversation.

Benefits of Having a Car Accident Lawyer Deal with the Insurance Company for You

Representatives for insurance companies are trained in negotiation. They will take all necessary steps to pay as little money as possible on your claim, including using any and all statements you have made against you.

Without an experienced car accident lawyer to advocate for you, you could end up having your claim denied or find yourself accepting a settlement offer that fails to fully cover your damages.

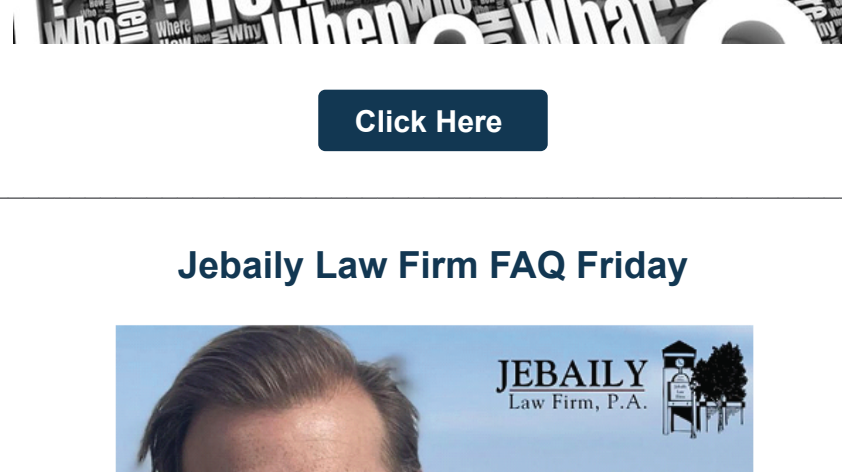

Car insurance companies often make low settlement offers, hoping that victims of auto accidents will accept the first offer. With an aggressive legal advocate on your side, you will have your own trained negotiator who can work to pursue just compensation for you.

Filing a claim through your insurance company can be a very stressful process. This is especially true if you have been injured and are in need of timely compensation.

If you or someone you love recently suffered injuries in a car accident in Florence or elsewhere in South Carolina, you should reach out to an experienced South Carolina auto accident lawyer at our firm.

Recipe of the Month Whole Wheat Pumpkin Waffles

Fall flavors abound in these pumpkin waffles! A great option for a leisurely Sunday breakfast or freeze them to eat through the week.

Ingredients:

- 1 cup milk
- 1 egg, separated
- 1/2 cup plain pureed pumpkin
- 1/2 tsp vanilla extract
- 3 Tbsp canola oil
- 2 Tbsp brown sugar
- 3/4 cup whole wheat flour
- 1/2 cup all-purpose flour
- 2 tsp baking powder
- 1/4 tsp salt
- 1/2 tsp cinnamon
- 1/8 tsp nutmeg

Directions:

1. Preheat waffle iron.
2. In a large bowl, combine milk, egg yolk, pumpkin, vanilla, oil, and brown sugar. Place egg white in a separate smaller bowl and beat with a hand mixer until firm peaks form. Set aside. Pour in remaining dry ingredients to the wet and slowly incorporate. Fold egg whites into waffle batter.
3. Spray waffle iron with non-stick cooking spray. Pour about 1/2 cup of batter onto waffle iron. Close the top slowly. Cook about 2 minutes or until waffles are crispy.
4. Serve immediately with butter and maple syrup.
